

# 50+ Activity Center Winter Weather Policy

Please familiarize yourself with the 50+ Activity Center 2020 Winter Weather Policy described in this email.

It is the responsibility of each 50+ member to be aware of the weather policy for each of their activities. When appropriate listen for weather notices on the radio or check the school bus status at [www.steo.ca](http://www.steo.ca).

Weather related notices will NOT be sent out from the Activity Center office.

An activity can NOT proceed if a predesignated leader/instructor is not present during the activity.

The Wall St. United Church may decide to close the building due to extreme weather conditions.

Please do not call the Wall St. United Church regarding anything pertaining to the 50+ Activity Centre.
